

Foreign Buyer Lists Order Form

Foreign Buyer Lists.

This database contains information on more than 25,000 foreign buyers of food, farm, fish and forest products in 80 countries.

Each Foreign Buyer List provides important information on the foreign firm such as contact person, address, telephone, fax and type of product (s) imported.

Foreign Buyer Lists are available in:

- (1) hard copy
- (2) Excel format by email

Lists are available by product for a specific country – all known buyers of a specific product identified in a specific country.

Where possible lists are available by country groups. Group lists are outlined on order form.

To order select the type of list(s) you want from the attached index. Then legibly print or type the code and description for each product, country or combination list in the space provided on the back of this form. (*You may copy this order form if needed.*) Mail or fax the completed form to:
